Re: Crystal City Sanitary Sewer System
Request for Information Pursuant to Section 308 of the Clean Water Act, 33 U.S.C. § 1318

Response Required Within 10 Days

Dear Mayor Scully:

This letter requests information regarding overflows from the Crystal City sanitary sewer system reported through the Missouri Department of Natural Resources electronic reporting system. A representative from the U.S. Environmental Protection Agency conducted a compliance sampling inspection of the Festus-Crystal City Sewage Treatment Plant on March 10 – 14, 2014, under the authority of Section 308 of the Clean Water Act, 33 U.S.C. § 1318. The inspection also included an inspection of the Festus and Crystal City sanitary sewer collection systems tributary to the treatment plant.

This letter and the enclosures are a request for information issued pursuant to Section 308(a) of the Clean Water Act, 33 U.S.C. 1318(a). Section 308 authorizes, among other things, the EPA to require the City to furnish information necessary for the EPA to evaluate the City's compliance with the CWA. **Pursuant to Section 308, you must provide the information requested in the enclosed Information Request (Enclosure 1).** Please read the instructions in the enclosure carefully before preparing your response. Enclosure 2 is a Statement of Certification which must accompany your response.

Please send your written responses within ten (10) days of receipt of this Request for Information to:

Wayne Dillard, P.E.
U.S. Environmental Protection Agency
Region 7, WWPDP/WENF
11201 Renner Boulevard
Lenexa, Kansas 66219

Please be advised that failure to respond accurately or submission of false information may subject you to civil or criminal penalties under Section 309 of the CWA, 33 U.S.C. § 1319, and/or 18 U.S.C. § 1001. Further note that the EPA reserves its right to pursue appropriate enforcement actions under Section 309

of the CWA, 33 U.S.C. § 1319, including penalties, for violations of the CWA, including those discovered as a result of the EPA's March 2014 inspection.

If you have any questions or concerns regarding this matter, you may contact Wayne Dillard at (913) 551-7885 or dillard.wayne@epa.gov.

Sincerely,

INFORMATION REQUEST

This information is requested pursuant to Section 308(a) of the Clean Water Act, 33 U.S.C. § 1318(a).

I. Instructions

1. Please provide a separate response to each and every request set forth below. Please label each response in a manner that identifies the number of the question or document request.
2. If any answer or document cannot be provided in full, provide the answer or document(s) to the extent possible along with an explanation of why the question cannot be answered or document cannot be provided in its entirety. If your responses are qualified in any manner, please explain.
3. If information or documents not known or not available to you as of the date of submission of your response to this request should later become known or available to you, you must supplement your response to the EPA within ten (10) business days of when the information or documents become known or available. Moreover, should you find, at any time after the submission of your response, that any portion of the submitted information is false or misrepresents the truth, you must notify the EPA of this fact immediately and provide a corrected response within ten (10) business days of when you find the information is false or misrepresents the truth.
4. The Statement of Certification found in Enclosure 2 must be submitted along with your responses every time a submission is made pursuant to this information request. This statement must be signed by a person authorized to sign reports pursuant to 40 C.F.R. § 122.22. For your convenience a copy of 40 C.F.R. § 122.22(a) is included on Enclosure 2.
5. If you believe any of the requested information is confidential, you may assert a business confidentiality claim pursuant to the regulations set forth in 40 C.F.R. Part 2, Subpart B. Information requested by this letter, however, must be submitted to the EPA regardless of such a claim of confidentiality. If the EPA determines the information you have designated meets the criteria in 40 C.F.R. § 2.208, the information will be disclosed only to the extent and by means of the procedures specified in Subpart B. Unless a confidentiality claim is asserted at the time the requested information is submitted, the EPA may make the information available to the public without further notice to you.
6. Compliance with the provisions of this request for information is mandatory. Please be advised that failure to respond accurately or submission of false information may subject you to civil or criminal penalties under Section 309 of the CWA, 33 U.S.C. § 1319, and/or 18 U.S.C. § 1001. Please be aware that the issuance of this letter and providing the requested information does not relieve you of any responsibility under the CWA for seeking, maintaining, or complying with an applicable National Pollutant Discharge Elimination System permit.

7. All information should be submitted in a manner that allows you to track delivery, and must be submitted to:

Wayne Dillard, P.E.
Compliance Officer
U.S. Environmental Protection Agency Region 7
Water, Wetlands and Pesticides Division
11201 Renner Boulevard
Lenexa, Kansas 66219

8. Requests for Extension of Time to Respond: If you believe for any reason that you will not be able to send a complete response to this Information Request within 10 days, you may submit a written request for an extension within seven (7) calendar days of receipt of this letter. For more information, contact Wayne Dillard at 913-551-7885.

II. Requested Information

Please submit your response to the questions below **within ten (10) days of receipt of this Information Request**. Please clearly identify your responses with a numbering system corresponding to the items as listed below. (*See, Section I, Instructions.*) Should the City of Crystal City not have the information requested, you must provide a response stating that the City has no such information, documentation, records, etc. This is required for each numbered or lettered item to which the City is unable to provide the requested information.

Note that except for a cover letter or memorandum and the Statement of Certification, 1) only copies, and not original documents, should be submitted pursuant to this request, and 2) documents and data may be submitted on a compact disc in PDF, Word, Excel or other widely available electronic format.

A. Preliminary Information

1. Identify the person to contact regarding your response, including title, address and phone number.
2. Your response to this Information Request is to be provided by a qualified professional. Provide the name and credentials of the person(s) providing information in response to this Information Request.

B. Information Regarding Wastewater Collection System

1. Please provide a copy of all documents (reports, forms, correspondence, emails, telephone memoranda, etc.) related to backups and/or overflows from Crystal City's sanitary sewer system between January 1, 2012, and June 15, 2014.

STATEMENT OF CERTIFICATION

This Certification must be signed by a person described in 40 C.F.R. § 122.22(a) or by a duly authorized representative of that person, as described by 40 C.F.R. § 122.22(b).

I certify that the information contained in or accompanying this submission is true, accurate, and complete.

I further certify under penalty of law that this document and all attachments were prepared under my direction or supervision in accordance with a system designed to assure that qualified personnel properly gather and evaluate the information submitted. Based on my inquiry of the person or persons who manage the system, or those persons directly responsible for gathering the information, the information submitted is, to the best of my knowledge and belief, true, accurate, and complete. I am aware that there are significant penalties for submitting false information, including the possibility of fine and imprisonment for knowing violations.

(Title)

40 C.F.R. § 122.22(a). Signatories to permit applications and reports.

(1) **For a corporation.** By a responsible corporate officer. For the purpose of this section, a responsible corporate officer means: (i) A president, secretary, treasurer, or vice-president of the corporation in charge of a principal business function, or other person who performs similar policy- or decision-making functions for the corporation, or (ii) the manager of one or more manufacturing, production, or operating facilities, provided, the manager is authorized to make management decisions which govern the operation of the regulated facility including having the explicit duty of making major capital investment recommendations, and initiating and directing other comprehensive measures to assure long term environmental compliance with environmental laws and regulations; the manager can ensure that the necessary systems are established or actions taken to gather complete and accurate information for permit application requirements; and where authority to sign documents has been assigned or delegated to the manager in accordance with corporate procedures.

Note: EPA does not require specific assignments or delegations of authority to responsible corporate officer identified in Sec. 122.22(a)(1)(i). The Agency will presume that these responsible corporate officers have the requisite authority to sign permit applications unless the corporation has notified the Director to the contrary. Corporate procedures governing authority to sign permit applications may provide for assignment or delegation to applicable corporate positions under Sec. 122.22(a)(1)(ii) rather than to specific individuals.

(2) **For a partnership or sole proprietorship.** By a general partner or the proprietor, respectively; or

(3) **For a municipality, State, Federal, or other public agency.** By either a principal executive officer or ranking elected official. For purposes of this section, a principal executive officer of a Federal agency includes: (i) The chief executive officer of the agency, or (ii) a senior executive officer having responsibility for the overall operations of a principal geographic unit of the agency (e.g., Regional Administrators of EPA).
